From Movie Starr

Presentation of all trophies are made on the finals night presentation i.e the K.O. Cup Captains and Secretaries. The reason for this proposal is for in some way to encourage more attendance to the finals night.

Agreed by all.

From Canvey A – Dan Keys

To propose a rule that a team is allowed to cancel one game per season that has to be accepted by the committee. **This was not agreed because of more spare weeks during season.**

Also another existing rule is that a dart must not be thrown once the player has checked out or busted. As there is no punishment to this rule in the book is there any point in having this rule in the first place? **The rule is to stay in place.**

With the new Top Bottom League I believe that there should be a reduction in the amount of players eligible to play a game. Even if a team turns up with four people there is still the opportunity to win 14 legs compared to not playing the game at all. **This was agreed teams can now play with four players.**

I find it ridiculous that if we don't turn up to a meeting there is a £30 fine and we then have to pay £10 into the draw which we cannot win. How can this charge be justifiable. Further to this point, last season it was agreed that there would be no March meeting and then this decision was reversed and if we didn't attend then we would be fined. Surely this should have been voted on by the committee and passed onto the captain's in adequate time. **Teams not in attendance at meeting will now**

be allowed to enter the draw

From Mick Keeley

I would like to propose that Ladies should be allowed to play in the League as men only is a draconian attitude and is no longer acceptable in today's society. **This was agreed by 8 votes to 4.**

From Bill Smyth

I propose Graeme Neil as the next Chairman of the Canvey & District Darts League. **This was passed and seconded by Dave Diss**
